

## The Summit Foundation Soul of the Summit

### The Summit Foundation 2018/2019 Patron Pass Program

The Summit Foundation is pleased to partner with the ski areas to offer the Patron Pass Program, which is now earning over \$1 million annually for our community. Thanks to the generosity of Vail Resorts, Arapahoe Basin Ski Area, and Copper Mountain Resort, the Patron Pass Program has become the cornerstone of fundraising efforts for The Foundation.

#### Patron Pass Options:

- **Four Mountain Bonus Patron Pass:** provides transferable skiing at the ski areas of Arapahoe Basin, Breckenridge, Copper Mountain, and Keystone, as well as four days at Steamboat and Winter Park Resorts. This pass is available for a contribution of \$6,000.
- **Six Mountain Bonus Patron Pass:** provides transferable skiing at the aforementioned ski areas, as well as Vail and Beaver Creek. This pass is available for a contribution of \$7,000.
- **Premier Patron Pass:** provides the best value for the benefits received. A contribution of \$21,000 over four years (\$6,000 the first year, and \$5,000 each for years two, three and four), provides the benefits of the Six Mountain Bonus Patron Pass program with a savings of \$7,000!

In addition to the transferable skiing privileges generously donated by the ski areas, businesses throughout the community provide additional benefits to the Patron Pass Program – from golf at Breckenridge Golf Club, Copper Creek, Keystone Ranch and The Raven to Nordic skiing at Breckenridge and Frisco Nordic Centers, as well as food and beverage, retail and recreation discounts. Several of the nonprofit organizations that receive support from The Summit Foundation also offer additional benefits to Patron Passholders. Organizations like Backstage Theatre, Breckenridge Film Festival, Breckenridge Music Festival, Keystone Science School, Lake Dillon Theatre Company, Mountain Top Children’s Museum, and National Repertory Orchestra offer discounted or complementary programs to passholders.

#### Contribution

With each of these pass options, you may consider jointly owning a pass with neighbors, business associates or part-time residents and know that you are welcome to establish a monthly payment plan with The Summit Foundation. Please note, the transferable pass may not be advertised for sale or resale, packaged with lodging or other products or services that are paid for. As The Summit Foundation operates on a fiscal year of October 1st to September 30th, pass program donations correlate with the fiscal year. Typically, contributions are made at the time of receiving the medallion for that respective ski season. Medallions are issued annually during the first two weeks of October.
